# Get Involved in Political Advocacy

## Two Ways to Support Champions of Free Enterprise

### Political Action Committee (PA ABC PAC)

Through PA ABC PAC, your generous contributions are invested directly to candidates that believe in free enterprise, support the merit shop philosophy, and champion our industry. Every endorsed candidate is thoroughly vetted through ABC Keystone's boards and committees to ensure there is a dedication and focus to defend free enterprise.

#### Help Elect Champions of Free Enterprise:

- PA ABC PAC can only accept personal contributions.
- No limit to how much you can contribute.
- Monthly contributions can be automatically deducted.
- Resources go directly to endorsed candidates.

### Advancing the American Dream Fund (AADF)

The Advancing the American Dream Fund (AADF) promotes the message of free enterprise and goes directly to educate voters on candidate positions through independent expenditures. This means expenditures from the AADF are made without any connection to, or coordination with, a candidate or political party. Just like the PA ABC PAC, all activities and materials are thoroughly vetted through ABC PA leadership to ensure your contributions are directed appropriately and invested wisely.

#### Help Advance the Free Enterprise Mission:

- AADF can accept both personal and corporate contributions.
- No limit to how much you can contribute.
- Monthly contributions can be automatically deducted.
