

INSPIRE THE NEXT GENERATION

VOLUNTEERS NEEDED

Together we can build
interest in the trades
with the workforce
of tomorrow!

Construction Wars is a 3-day, interactive career exploration for middle school students. Working hands-on with industry professionals, students will build and learn about carpentry, masonry, sheet metal fabrication, electrical, plumbing, and HVAC trades. Safety is a priority at ABC Keystone. Students will learn about CPR and the importance of safety in construction.

You are invited to support this initiative by volunteering to create a memorable experience for middle school students. Volunteer today!
