

Safety Consulting Services at ABC Keystone

Looking for a Solution for Your Safety Needs? ABC is Here to Help!

ABC Keystone's safety consulting services are flexible and customizable to your company's needs providing you the opportunity to efficiently and economically keep your employees safe. With the addition of our new Director of Safety Services, Kevin B. Keith, ABC Keystone is now your resource for safety consulting and training at your location or at ABC.

ABC is the Answer:

- Safety training and certification
- Crafting or updating of safety plans
Including jobsite-specific safety policies
- Navigating OSHA requirements
- OSHA citation counseling
- Prepare and present safety meetings
- Safety recognition program development
- Serving as your employer representative
- One hour free safety consultation

Plus, save time and money with
jobsite inspections and audits reviewing:

Electrical, ladders, fall protection, scaffolding, excavation, personal protective equipment (PPE), mechanized equipment, hearing protection, flammable material storage, confined space tool condition/use, housekeeping, and more!

Safety services provided on a contract basis or on an as-needed basis at member rates.
