Keystone Chapter

2018 Committee and Task Force Descriptions

C.O.R.E. Task Force: Oversees, promotes and works to raise awareness about the benefits of the annual sponsorship, marketing, events and training programs (**C**ontacts, **O**pportunities, **R**esources & **E**ducation).

Education: Develops and provides course offerings in management and continuing education; assists our members in the growth and development of their workforce, from support staff all the way to the company CEO.

Events: Develops and delivers programming such as the Economic Outlook Breakfast, Golf Outing, Clay Shoot, Meet the Generals EXPO, Excellence in Construction Awards Program, Mixers and other events to provide quality business development opportunities for members.

Government Affairs: Promotes, protects and defends the ABC position on the legal, legislative and regulatory fronts; establishes and maintains strong working relationships with lawmakers; develops and strengthens industry-wide grassroots advocacy efforts to educate, elect, and encourage participation in the political and legislative processes.

Membership: Works to actively engage ABC members to increase their involvement and improve their overall ABC experience; identifies and pursues new membership growth opportunities.

Political Action: Develops and implements fundraising and expenditure strategies to further political advocacy goals; encourages fundraising for ABC's Political Action Committee (PAC) and independent advocacy efforts through the "Advancing the American Dream Fund;" determines funding strategies for political candidates and targeted issues.

Safety: Promotes safe and healthy work environments for member firms; conducts quarterly Safety Forums for safety and HR professionals and contractors; monitors OSHA regulation developments; promotes and facilitates the STEP (Safety Training and Evaluation Process) program.

Workforce Development: Continues to showcase careers in construction and the talents of our member employees; builds bridges between industry and educators on skills needed, plus careers available for K-12 and post-secondary students; utilizes our state-of-the-art training facility as a destination for school in-service days and career days.

Young Professionals: Develops and provides networking activities, leadership and educational opportunities, and community service outreach for "Under 40" employees at ABC Keystone member firms.
