JOBSITE START-UP KIT

Exclusive ABC Member Only Benefit!

Each kit contains 15+ specific safety items, including:

- All notices that the Federal Government and the Commonwealth of PA require
- "What to do during an OSHA inspection"
- Hazardous materials classifications
- Emergency procedures
- OSHA Construction Industry Digest
- Job safety check list and requirements
- Copy of a 300 Log

Your one-stop shop including state, federal and OSHA required materials saves you both time and money.

We're tracking labor law for you!

Trust ABC to keep you up to the minute on all labor law poster and health and safety compliance requirements.

The price of a Kit is \$47.50 + tax and shipping*
