**Jamie Mowery Lewis Graduates with the Leadership Harrisburg Area’s Class of 2019**

Lemoyne, PA (*July 23, 2019*) – Leadership Harrisburg Area awarded **Jamie Mowery Lewis, Marketing Executive at Gunn-Mowery, LLC**, a graduate of the Class of 2019.

Jamie spent over nine months and 100+ hours completing the educational and experiential course that explores the complex systems that affect the quality of life in the Capital Region.

The graduation ceremony was held on May 10, 2019 at the Radisson in Camp Hill with over 400 attendees gathering to celebrate the impact of community leadership. Jamie graduated alongside 52 other newly minted leaders, including her sisters, Julie Mowery Young, Sales Manager at Capital BlueCross. This was the first time that two sisters graduated the Community Leadership Series together.

The Community Leadership Series was established in 1986 and is Leadership Harrisburg Area’s core program. Participants in the program participate in The Color Code personality assessment and training workshop. They experience Beyond Leadership, an original curriculum that overview the 10 Essentials of Servant Leadership. Throughout the course, participants gain hands-on experience with community service by working on a Team Program with a local non-profit organization. In doing so, participants learn new, and strengthen existing skill sets designed to improve team work, sharpen project management and problem solving.
