

SPONSORSHIP OPPORTUNITIES

Construction Wars is a 3-day, interactive career exploration for middle school students. Working hands-on with industry professionals, students will build and learn about carpentry, masonry, sheet metal fabrication, electrical, plumbing, and HVAC trades. Safety is a priority at ABC Keystone. Students will wear personal protective equipment and learn about CPR and the importance of safety in construction.

Don't miss this great advertising opportunity for your company. Together we can build interest in the trades with the workforce of tomorrow!
