ENHANCE YOUR ABC MEMBERSHIP VALUE:

Engage and Make an Impact Through Committee Participation.

Whether you joined ABC Keystone for skilled trade apprenticeship training, safety services, or to support the merit shop philosophy and free enterprise—or all of the above—one fundamental value unites these benefits: the business development connections you build with fellow ABC Keystone members.

Participating on an ABC Committee is an excellent no-cost, monthly opportunity to contribute your expertise and elevate your company's presence within ABC's membership community! With nine standing committees covering all functional areas, there is truly a committee for everyone.

The Strategy:

- Enroll one (two, three or more) of your team members on an ABC committee.
- Committee membership is open to all!
- Dedicate one hour of your time per month.

The Immediate Results:

- Gain twelve impressions annually for each employee enrolled in an ABC committee, putting you in monthly conversations with fellow ABC Members.
- Exponentially increase these impressions by enrolling two, three, or more committee members.
- Become an integral part of carrying out ABC policies as an in-the-know member.

What Do Our Members Say?

"Committee involvement has been integral to our business development – it truly keeps us in front of our fellow members. These meetings provide for a monthly conversational exchange with our clients – ABC members. We have the opportunity to hear their issues, and it keeps us ahead of the curve by being able to anticipate and meet their needs. Serving on ABC committees also allows us to give back to the association that protects our livelihood."
